From the Chair of the Scholarship Committee...

2018 Graduating Seniors of our Phelps County high schools and surrounding communities -- CONGRATULATIONS! We also commend the college students currently working to pursue their degrees at many different colleges, universities and technical schools. PCCF is fortunate to have many hard-working and talented students and are proud of them.

PCCF has awarded nearly $2.9 million in scholarships to area students since the inception of the PCCF. Currently there are 71 scholarship funds for which students can apply, with 2 new funds created during the past year. In 2018 we had 114 qualified applicants. 128 scholarships totaling $278,900 were given to 71 recipients. These students were from Alma, Bertrand, Cambridge, Franklin, Holdrege, Loomis and Wilcox-Hildreth high schools located in Phelps, Harlan, Gosper, Furnas, Kearney and Franklin counties. Fifty-two were high school seniors, nineteen were college students, 50 were female and 21 were male students. Of all students, 8 are seeking 2 year degrees; 45 are seeking 4 year degrees; 10 are seeking masters degrees and 8 are seeking doctorate degrees. Student majors include: Agricultural, Art Education, Biology, Business, Construction, Counseling & Psychology, Criminal Justice, Diesel Technology, Education, Electrical Technology, Engineering, Finance, Health, Occupations, Medical (including pre-med), Nursing, Occupational Therapy, Pharmaceutical, Pre-Law, Science, Tool and Die and others.

Funding scholarships is a wonderful act of charitable giving and provides the benefit of awarding a student a good start in establishing a career! PCCF is grateful to the generous donors who provided funding for these scholarships.

The Phelps County Community Foundation is pleased to partner with donors in creating funds that help them achieve their charitable goals.

Our large scholarship offering is the direct result of thoughtful planning by donors who desire to help students realize their dream of attending college and building a rewarding career.

Please contact the Foundation to visit about ways you can create meaningful impact through a charitable fund.
