Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

The Foundation's grant program is a matching grants program which means that any organization must come up with a 2/3 match for their request. We do not disburse money until all monies have been raised and receipts have been provided. Once funds are raised we require the grantee to arrange for presentation of the grant funding . At the presentation time the grantee shows us the completed project and media pictures are taken. If a grantee does not utilize all funds granted they must return any unused grant funds. We require invoices to support expenditures.
